THE MINISTER OF HOME AFFAIRS (SHRI MUFTI MOHAMMED SAYEED): (a) Some fundamentalist and revivalist elements have been trying to create communal tensions. The Government is also of the considered view that a national consensus should be built to tackle the problem of communalism and to foster all round communal harmony and emotional integration.

(b) As regards steps taken to prevent communal violence and for promotion of communal harmoney in the country, it may be stated that in addition to the guidelines already issued to the various State Governments/UTs for prevention of communal violence and for promotion of communal harmony material support in terms of paramilitary forces and equipment is provided to the State Governments as and when requested subject to their availability to assist them in effectively managing and controlling the riot situation on ground.
